DVD Appeal

**Do you have DVDs hiding in a cupboard gathering dust?
Why not give them a new life and support 2 great causes?**

We're growing our film club

To help us offer films to a wider audience - including children - we're looking to expand our DVD library.

Supporting others too

Any duplicate DVDs will be donated to a charity that provides entertainment for prisoners, ensuring every donation finds a good home.

How You Can Help

Drop off any DVDs you no longer need to:
